

The Maccabees - Pelican

Tom: G

So soon we're, so soon we're, so soon we're too old to carry
 We knew we, we knew we, we knew we only had a little while
 In the middle, in the middle, in the middle, just keep ticking
 over
 And Before you know it, and before you know it, and before you
 know it,
 parent a parent

A A A D D A A A D D

To have it all, to have it all, to have it all and still want
 more
 One things for sure, one things for sure, one things for sure
 we're all
 getting older

So we take a lover, so we take a lover, so we take a lover
 waiting in the
 corner
 Before you know it, before you know it, before you know it
 pushing up the
 daisies

A A A D D A A A D D

And we go back to where we came from
 Like those before and those to come
 And know its the ever and the more
 And again and again and again

A A A D D A A A D D

In the end, in the end, in the end nothing comes easy
 So you find a way, so you find a way, so you find a way to
 take a little
 with you
 For the ones you love, for the ones you love, for the ones
 you love, there
 if they need to
 Pharaoh, pharaoh, pharaoh they're not coming with you.

A A A D D A A A D D

And we go back to where we came from
 Like those before and those to come
 And know its the ever and the more
 And again and again and again

So soon we're, so soon we're, so soon we're too old to carry
 We knew we, knew we, we knew we only had a little while
 In the middle, in the middle, in the middle, just keep ticking
 over
 And Before you know it, and before you know it, and before
 you know it,
 parent a parent

A A A D D A A A D D

And we go back to where we came from
 Like those before and those to come
 And know its the ever and the more
 And again and again and again
