

# The Maccabees - Silence

Tom: C

Thought I'd find it easier <sup>C Dm F (repeat)</sup>  
 Under lock, chain and key <sup>C Dm F</sup>  
 Thought I'd find it easier <sup>C Dm F</sup>  
 To just keep you to me <sup>C Dm F</sup>  
 When the wisdom and the patience <sup>C Dm F</sup>  
 Of the world's wasted on me <sup>C Dm F</sup>  
 That's when I shut down my relationships <sup>C Dm F</sup>  
 Watch them floating out to sea <sup>C Dm F</sup>  
 I understand that it never ends <sup>C F</sup>  
 She's waiting round every corner; round every bend <sup>C F</sup>

And it hurts to know that I won't know if you knew how the <sup>C F</sup>  
 summer went <sup>C F</sup>  
 I understand silence <sup>C F</sup>  
 I understand that it never ends <sup>G F C</sup>  
 She's waiting round every corner; round every bend <sup>G F C</sup>  
 When you're scared and lost don't let it all build up <sup>G F C F</sup>  
 Break the silence <sup>G</sup>  
 Someone to call a best friend <sup>C G F</sup>  
 Someone to be there when it ends <sup>C Dm F</sup>  
 When you're scared and lost don't let it all build up <sup>C F G F</sup>  
 Break the silence <sup>G</sup>
