Don't let your white dress wear you out

Oh honey it's the look in your eyes

Oh, cause honey I can see you

B Dbm  
All my life I've hurt the ones I love

Oh baby you can turn it round

E  
She don't love me like you

She don't know what you do

And it's so hard

She don't care what you say

So just say it, say it anyway

It's so hard

B Dbm  
All my life I only tried to push me down

Oh baby you can turn it round

Oh, but honey I still see you

Don't let your friends tell you why

Cause I'm a bad bad bad, I'm the one

Oh baby you can turn it on

E  
She don't love me like you

She don't know what you do

And it's so hard

She don't care what you say

So just say it, say it anyway

It's so hard

B Ebm Abm  
All those years gone by

I only wanna find a way to make it hard for you

All those years gone by

I only wanna find a way to make it hard for you

B  
You'll never forget it

The way that she wished she don't feel the same

I only wanna find a way to make it hard for you

[Don't fail me now, don't fail me now...]

And she'll never forget it

The way that she wished she don't feel the same

I only wanna find a way to make it hard for you

And she'll never forget it

The way that she wished she don't feel no pain, no

I only wanna find a way to make it up to you

And she'll never forget it

The way that she wished she don't feel the same, no

I only wanna find a way

I only wanna fi-i-i-i-ind

I only wanna fi-i-i-i-ind

She don't love me like you

She don't love me like you

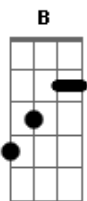

She don't love me like you

She don't love me like you

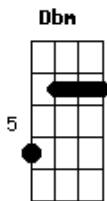

She don't loooooooooooooove, no she don't
