She's 18 and a beauty queen (**A** beauty queen)  
She makes the boys feel so weak (So weak)  
It's all for her and not at all  
She'll pick you up just to watch you fall  
It's her hands on my hips, I can't escape 'em  
It's that mouth and those lips, try not to taste them

**E** **B**  
That's just the way things are  
**Dbm** **A**  
And the way they'll always be

Refrão: **E B Dbm A**  
Girls do what they want (Whoa... Whoa...)  
Boys do what they can

Verso: **E B Dbm A**

Because the boys are feelin' jealous  
And it just doesn't make any sense  
Go on and tell 'em why

They toss them to the side in the end  
And you know that all the  
The boys are fallin' in love

These kids are talkin' bout love  
I think we've all had enough  
We've had enough of this now
