

The Maine - Growing Up

Tom: C

(solo)

Photograph, remembering the summer
 It takes me back,
 To Southern California.

Where the girls would all pass
 On the boardwalk and laugh
 At our desperate attempts and our sunburned backs
 We never had a chance, I remember that
 And no matter what we do,
 We'll never lose what we had growing up.

Won't bring us down.
 Yeah, growing up,
 It won't bring us down,
 Growing up won't bring us down
 Growing up won't bring us down

Graduate, what's a kid to do now?
 Get away, yeah-ah.
 We've got so much to prove.
 Cause it's time to move on
 And I'm stuck to let go,

But then Wonderwall comes on the radio,
 I flashback to the night in your parent's yard,
 When we drank too much and we talked about god...

Growing up, won't bring us down.
 Growing up, it won't bring us down.

We're in this together,
 Yeah, we'll make it somehow,
 Nothing's gonna stop us now...
 Growing up won't bring us down
 Growing up won't bring us down
 Growing up won't bring us down
 Oh-oh-oh

Photograph, oh give me something to remember

Growing up, won't bring us down.
 Growing up, it won't bring us down.
 We're in this together,

Yeah, we'll make it somehow,
 Nothing's gonna stop us now...

Growing up won't bring us down
 Growing up won't bring us down (won't bring us down)
 Growing up won't bring us down (won't bring us down)
 Growing up won't bring us... down.
