

# The Maine - My Hair

Tom: C

C Dm7 Am7  
 My hair is tired and it's falling out  
 Dm7 Em F  
 But before it all does I think I will let it down  
 C Dm7 Am7  
 I'll grow it out like it's the 60s, man  
 Dm7 Em F  
 Because I feel young enough and just because I can  
  
 C Dm7 Am7  
 Grow your hair out, let your hair down while you still can  
 C Dm7 Am7 G  
 Because it'll fall out, you'll go bald like an old man  
 C Dm7  
 Put the top down, let your locks blow around  
 Am7 G  
 Driving through town without a care  
 C Dm7 Am7  
 Grow it to the ground, let it all down everywhere  
 G  
 Grow out your hair  
  
 C  
 C Dm7 Am7  
 The other morning as I rolled on out  
 Dm7 Em F  
 Of my bed I got tripped up by something on the ground  
 C Dm7 Am7  
 My curls had grown all the way to the floor  
 Dm7 Em  
 I kinda like the way it looks  
 F  
 I'll grow it out some more  
  
 C Dm7 Am7  
 Grow your hair out, let your hair down while you still can  
 C Dm7 Am7 G  
 Because it'll fall out, you'll go bald like an old man  
 C Dm7  
 Put the top down, let your locks blow around  
 Am7 G  
 Driving through town without a care  
 C Dm7 Am7 G  
 Grow it to the ground, let it all down everywhere  
 G  
 Grow out your hair

Grow it to the ground, let it all down everywhere

Dm7 G C  
 Nobody's gonna tell me how to wear my hair  
 Dm7 G C  
 Not my momma or a big wig millionaire  
 Dm7 G  
 I'll let it all down anywhere  
 Am7  
 I'll let it all down everywhere  
 F  
 See I don't care if you all care  
 G  
 It's on my head and it's not your hair
