The Maine - Take Me Dancing

```
Tom: C
Intro: Am Am

Verso 1:
              Am
Oh, a good man said
      C
If you're feeling dead
        G                        Am
You gotta try to find a way to be alive

          Am              C
This is not a game that you have to play
                G                    Am   G
Don't need a reason to breath just like you die

Refrão:
            C
Give me thunder
          G
Give me lightning
       F            C           G
And I will give you every part of me

            C
Take me dancing
           G
Get me fucked up
F           C                   G
Play that old guitar and we will sing

( Am Am )

Verso 2 :
          Am
Oh, my old man said
          C               G
You must die in your bed the way you make it
                              Am
No one can make it like you do
              Am
Oh, you're not alone
      C
You still have a home
            G
```

```
No matter what you do my son
                        Am   G
I'm still proud of you

That's right

Refrão:
            C
Give me thunder
          G
Give me lightning
       F            C           G
And I will give you every part of me

            C
Take me dancing
           G
Get me fucked up
F           C                   G
Play that old guitar and we will sing

Yeah, we'll sing

Passagem : ( F G Em Am )(2x)
           ( F G Em Am G F )

Refrão:
            C
Give me thunder
          G
Give me lightning
       F            C           G
And I will give you every part of me

            C
Take me dancing
           G
Get me fucked up
F           C                   G
Play that old guitar and we will sing

( Am Am )
                            Am
Yeah, we'll sing, yeah, sing
