

The Maine - Thinking Of You

Tom: C

Went outside and saw the moon
 And it made me think of you
 And the rain it came, and came
 There you were inside my brain

I've been thinking of you-oooooh oooooh oooooooooooooh (x2)

Drive there in my car (I heard the radio)
 Play that dylan song (The times that you were dreaming)
 But you still haven't changed your mind
 So I sang and sang along I was singing along

I've been thinking of you-oooooh oooooh oooooooooooooh (x4)

Am G C F

Cause she's in my head And I can't take it I need you by my side Yeahh
 So I'll take the chance and I'll drive 'till dawn to show you I'm the one
 Went outside and saw the moon And it made me think of you

I've been thinking of you-ooo
 I've been thinking of you-ooo
 I've been thinking of you-ooo
 I've been thinking of you-ooo
 I've been thinking of you (I've been thinking of you)
 I've been thinking of you (I've been thinking of you)
 I've been thinking of you
 I've been thinking of you
