

The Maine - (Un)lost

Tom: A

Intro: A

I'm not ^A looking for anything in particular ^D
 But I'm ^{Gbm} far more desperate than you think ^E
 I wonder what it's like to be the Universe ^D
 Experiencing itself ironically ^E

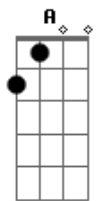

^D I need some space to run around ^A
^{Gbm} I'll always have the underground ^E
^D I'll build my road despite the cost ^A
 I'm not looking to be found ^{Gbm}
^E No, no not at all

^D I'm unaware where I'm going ^A
 Or if I'm going anywhere at all ^{Gbm}
 But I know I'll take the leap ^E
 If it is worth the fall ^D
^D So as long as the blood keeps flowing ^A
 I'll set a sail and swim across ^{Gbm}
 I'm not looking to be found ^E
 Just want to feel unlost ^A

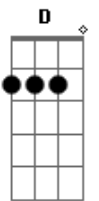

^A With my eyes closed this feels like home ^D
^{Gbm} I drift in my own head and all I really know is ^E
 Whatever this is doesn't get easier ^D
 So take it slow, just take it slow ^{Gbm} ^E
^D Between the silence and the sound ^A

^{Gbm} I'll never lose the underground ^E
^D I'll build my road despite the cost ^A
 I'm not looking to be found ^{Gbm}
^E No, no not at all
^D I'm unaware where I'm going ^A
 Or if I'm going anywhere at all ^{Gbm}
 But I know I'll take the leap ^E
 If it is worth the fall ^D
^D So as long as the blood keeps flowing ^A
 I'll set a sail and swim across ^{Gbm}
 I'm not looking to be found ^E
 No, not at all
^D The World disarms before a flash ^A
^{Gbm} And you are not allowed to be anybody else ^E
^D Control what you can confront what you can't ^A
 And always remember how lucky you are to have yourself ^{Gbm} ^E ^A
^D A Gbm E (2x)
^D I'm unaware where I'm going ^A
 Or if I'm going anywhere at all ^{Gbm}
 But I know I'll take the leap ^E
 If it is worth the fall ^D
^D So as long as the blood keeps flowing ^A
 I'll set a sail and swim across ^{Gbm}
 I'm not looking to be found ^E
 Just want to feel unlost ^A
