

The Mangue Neighbours - Pra Descer Ladeira

tom:

Am

Pra descer ladeira todo santo ajuda
 Pra descer ladeira todo santo ajuda

Mas pra subir ladeira não há quem ajuda
 Santo expedito pra quem tá com pressa

O velho São Pedro pra quem vai pescar

Santo do pau oco pra quem não cai nessa
 E santo antônio pra quem quer casar

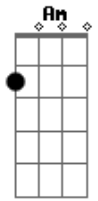

Já pra descer ladeira

Pra descer ladeira

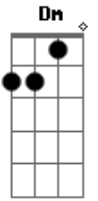

Pra descer ladeira (todo santo ajuda)
