

The Marias - I Don't Know You

Tom: C
Intro: F7M

There's a weight in my bed
Where you laid and you said
'I don't know you
I don't know you'

If we tried to retrace
Would it show on my face
And remind you
I don't mind you

And babe, this isn't right
But if you'd rather dry your eyes
Then honestly I'm fine
N.C.
With keeping my trust in you
It's time to walk in my shoes
It's true
I've tried, makin' it up
To you

But if I did all that I had to do
Would you, be here in my room

There's a weight in my bed
Where you laid and you said
'I don't know you
I don't know you'

If we tried to retrace
Would it show on my face
And remind you
I don't mind you
I may have been alright
But babe, it's only half the time
And honestly I'm fine
N.C.
With keeping my own

Advice
And making up if we tried
I'm hardly unsatisfied
You're not heels over head
But darlin

There's a weight in my bed
Where you laid and you said
'I don't know you
I don't know you'

If we tried to retrace
Would it show on my face
And remind you
I don't mind you
