

The Marias - Run Your Mouth

tom:
 [Refrão]
 When we talk about
 Everything that happened
 Would rather sit around
 I don't need a lesson
 You'd just call me out
 Call me when I'm distant
 Always run your mouth
 I don't wanna listen
 [Primeira Parte]
 You're on my case, mmm
 Won't you stop with that look on your face?
 And I can't believe, hmm
 That you only hold me when I'm on my knees
 [Pré-Refrão]
 Got me so tied up
 When you push my luck
 Thought you wanted this to last for life
 Got me so fed up
 When you talk too much
 When your focus is so out of line
 [Refrão]
 When we talk about
 Everything that happened
 Rather sit around
 Don't need another lesson
 You'd just call me out
 Call me when I'm distant
 Always run your mouth
 I don't wanna listen
 When we talk about
 Everything that happened
 Rather sit around

Acordes

Don't need another lesson
 You'd just call me out
 Call me when I'm distant
 Always run your mouth
 I don't wanna?
 (Am7 C Em G)
 [Post-Refrão]
 Everything that happened
 Ah-huh, oh-oh
 [Ponte]
 All the shit you put me through
 Put me through
 And now you're talkin' 'bout me too, and I know
 That I could never get away from you
 Yeah, I'll wait for you
 To turn around and talk it through
 But we won't
 [Refrão]
 When we talk about
 Everything that happened
 Rather sit around (Ah-huh)
 Don't need another lesson
 You'd just call me out
 Call me when I'm distant
 Always run your mouth (Ah-huh)
 I don't wanna listen
 [Final]
 All the shit you put me through
 Put me through
 And now you're talkin' 'bout me too, and I know
 That I could never get away from you
 Yeah, I'll wait for you
 To turn around and talk it through
 But we won't
