

The Marmalade - Lovin Things

Tom: **A**
 single in 1968 with HEY JOE as the **B**
 side. It reached # 6 in the UK.

Tabbed by:PJVillanueva

It's the lovin' things you do
 That make me grow so close to you
 Gonna want you my whole life through
 For the lovin' things, baby, that you do

It's the lovin' things you say
 That give me comfort every day
 By your side I'm gonna stay
 To hear the lovin' things, baby that you say

Since that day our love began
 I've become a new and happy man
 I can hold my head up high
 When you are near I touch the sky

With your soft and sweet caress
 You brought me such tenderness
 To think I was once forsaken
 With your kiss I've been awaken..

Chorus

(Instrumental)

Then you walked into my life
 Said how you'd soon end all my strife
 With a smile from your young face
 You gave me back my inspiration

It's the lovin' things we share
 That assures me how you care
 Our friends call us the perfect pair
 For the lovin' things, baby, that we share

(Instrumental)
