

# The Marmalade - Radancer

Tom: **A**  
Intro: **A**

#1.

**A**  
I saw a girl on a northern dance floor..

she looked sixteen, she could have been

more.

**D** I went to her thinking only of romance..**A**

but when the band played, man, I didn't

stand a chance..all she wanna do was..

Refrão:

**A**  
Dance, dance, dance, you ought to see her dance.

**D** Dance, dance, dance, move over, give her a chance.

**E** Well, the people all stood around..watching her lay

it down.

**A** She could dance, dance, dance the night away.**A**

#2.

**A** I tried to show some genuine affection..could be a

chance of a close connection.

**D** I didn't know she was there for just one thing.

**E** Cause when the band played, man, you ought to see her swing..**A**

swing down easy.

Refrão:

**A**  
Dance, dance, dance, you ought to see her dance.

**D** Dance, dance, dance, move over, give her a chance.

**E**

Well, the people all stood around..watching her lay

it down.

**A** She could dance, dance, dance, the night away.**E** **A**

#3.

**A** And when the dance was nearly over I decided I was really

gonna show her.

**D** I took a drink and I went to join the fun..**A** (that's when the

fun had just begun)..and when the band played, man, I was

second to none.**A**

Refrão:

**A**  
Dance, dance, dance, you ought to see me dance.

**D** Dance, dance, dance, move over, give me a chance.

**E** Well, the people all stood around..watching me lay

it down.

**A** I can dance, dance, dance the night away.**E** **A**

Dance, dance, dance the night away.**E** **A**

Dance, dance, dance the night away.**E** **D** **A**

Outro:

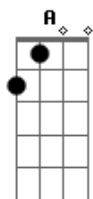

**A**  
Dance, dance, Watusi Baby..dance, dance, Funky Mofa..dance,

**A** dance, read your Sunday papers..dance, dance..desperate dance..

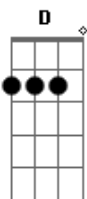

**A** dance..dance, shake it, baby..dance, dance, rock n' roll dance..

**A** dance, see you later..(Fade.)
