

# The Marmalade - Radancer

Tom: A  
Intro: A

#1.

A  
I saw a girl on a northern dance floor..

she looked sixteen, she could have been

more.

D A  
I went to her thinking only of romance..

E D  
but when the band played, man, I didn't

A  
stand a chance..all she wanna do was..

Refrão:

A  
Dance, dance, dance, you ought to see her dance.

D  
Dance, dance, dance, move over, give her a chance.

E D  
Well, the people all stood around..watching her lay

it down.

A E A  
She could dance, dance, dance the night away.

#2.

A  
I tried to show some genuine affection..could be a

chance of a close connection.

D A  
I didn't know she was there for just one thing.

E D A  
Cause when the band played, man, you ought to see her swing..

swing down easy.

Refrão:

A  
Dance, dance, dance, you ought to see her dance.

D  
Dance, dance, dance, move over, give her a chance.

E D

Well, the people all stood around..watching her lay

it down.

A E A  
She could dance, dance, dance, the night away.

Interlúdio: D A D E A

#3.

A  
And when the dance was nearly over I decided I was really

gonna show her.

D A  
I took a drink and I went to join the fun..(that's when the

fun had just begun)..and when the band played, man, I was

A  
second to none.

Refrão:

A  
Dance, dance, dance, you ought to see me dance.

D  
Dance, dance, dance, move over, give me a chance.

E D  
Well, the people all stood around..watching me lay

it down.

A E A  
I can dance, dance, dance the night away.

E A  
Dance, dance, dance the night away.

E D A  
Dance, dance, dance the night away.

Outro:

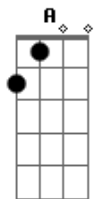

A  
Dance, dance, Watusi Baby..dance, dance, Funky Mofa..dance,

A  
dance, read your Sunday papers..dance, dance..desperate dance..

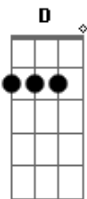

A  
dance..dance, shake it, baby..dance, dance, rock n' roll dance..

A  
dance, see you later..(Fade.)
