

# The Mask Of Tyrant - Hope For Us

tom:

Intro: Cadd9 G Em7 D

[Primeira Parte]

There is not a single day  
 That I don't remember you  
 And I don't need to pray  
 There is nothing more to do  
 Only memories remain  
 Of people and events  
 When sadness takes over  
 'Cause you're not here with us

[Pré-Refrão]

It's an infinite cycle  
 Of comings and goings

[Refrão]

I know it will be okay  
 As long as I remain  
 I will remember the good times  
 And bright eyes that sought peace

Your breath is over  
 But everything dies one day  
 It's an infinite moment  
 It doesn't end, that's how it is

 But everything will live again  
 It is an infinite moment  
 It doesn't end, that's how it is

[Refrão Final]

Our life is a breath  
 That goes astray but soon return  
 Fear is what makes us weak  
 But I know that we'll be okay

Our life is a breath  
 That goes astray but soon return  
 Fear is what makes us weak  
 But I know that we'll be okay
