I never **D** knew I lost ya till I found ya **G**
 And I never **D** guessed how close you were to me **G**
 And now I wanna **Em** throw my arms around ya
 Tell a thousand **G** tales that will astound ya
 Everything **Em** about you tells me this was meant to be **G**
 Don't you see **A**

I'm on your **D** side
 Let's take this **G** ride
 And together we're **D** facing the world
 Doing things **G** nobody's done before
 And the **Em** great divide
 Doesn't seem so **G A** wi-de anymore

 Naaaa

I can't **D** recall what life was like without ya **G**

Now it feels as though we've never been apart
 Tell me every **Em** tiny thing about ya
 Anything you say **G** I'll never doubt you
 We're meant to be **Em** together
 I can feel it in my **G** heart
 Its just the **A** start
 And if you'll be there **Am** beside me when I falter **F**
 Then whatever **Am** comes I know we'll take it all in **G** stride
 I'm on your **D** side

The great **G** divide
 It doesn't seem so **D G** wide

I'm on your **D** side
 Let's take this **G** ride
 And together we're **D** facing the world
 Doing things **G** nobody's done before
 And the **Em** great divide
 Doesn't seem so **G Am** wide anymore
