

The Midnight - Los Angeles

tom:

A
Fire on the beach
D
Face to the sky
Gbm E D
The stars dance around like gods in disguise
A
The gold silhouette
D
You take off your clothes
Gbm E D
And my heart feels the weight of all I don't know
A
Memories and mountain tops
D
Drunk on Sunset Boulevard
Gbm E D
With the city of angels singing on
A
Maybe this is just a dream
D
And maybe we are still asleep
Gbm E D
But I, I will miss you when I'm gone
A
Flickers of the canyon fire
D
Its hands raised like a gospel choir
Gbm E D
If we live forever, let us live forever tonight
A
Helicopters against the moonlight
D
Our holy mother of the midnight
Gbm E D
And if we live forever, let us live forever tonight
A
Tomorrow we'll go
D
Back to our lives
Gbm E D
With sand in our skin and sun in our eyes
A
But I know the truth
D
I've seen the signs
Gbm E D

And I've seen the golden gods in disguise

A
Memories and mountain tops
D
Drunk on Sunset Boulevard
Gbm E D
With the city of angels singing on
A
Maybe this is just a dream
D
And maybe we are still asleep
Gbm E D
But I, I will miss you when I'm gone
A
Flickers of the canyon fire
D
Its hands raised like a gospel choir
Gbm E D
If we live forever, let us live forever tonight
A
Helicopters against the moonlight
D
Our holy mother of the midnight
Gbm E D
And if we live forever, let us live forever tonight
A
Flickers of the canyon fire
D
Its hands raised like a gospel choir
Gbm E D
If we live forever, let us live forever tonight
A
Helicopters against the moonlight
D
Our holy mother of the midnight
Gbm E D
And if we live forever, let us live forever tonight
A
Flickers of the canyon fire
D
Its hands raised like a gospel choir
Gbm E D
If we live forever, let us live forever tonight
A
Helicopters against the moonlight
D
Our holy mother of the midnight
Gbm E D
And if we live forever, let us live forever tonight
