Glowing windows in the buildings from the elevated train

I see a thousand different stories pass

And faces without names

I forget why I came here and forget why I stay

And wonder if they'd notice \_\_\_\_\_ if I tried to slipped away

[Solo] Db Ebm7 B Db Ebm7

What if I kept going? What if I don't get off tonight?

What if I ride this to the edges through the darkness to the

light?

Could I find you there?  
 Could I find youuuuuuu there?  
 If I slipped away?

What if there's no answer we're all just hearts that have to fight?

Through the dangers of the rapids. Through the darkness to the light

Could I find you there?  
 Could I find youuuuuuu there?  
 If I slipped away?
