

The Moldy Peaches - Nothing Came Out

Tom: C

By Martin Smith -

My first tab, not perfect but it sounds reasonable played along to the music, there's not a better version to offer so you're going to have to make do for now :D

[Definitions]

Riff

Each chord is played in the following manner, (timing very approximate):

C

Am7

F G

G G7 Am Fm (Fm7) (I can't make up my mind on the right chord here)

Intro:

[Verse] (indicates picking bass string, \ indicates strum (as upstroke, to taste), according to patterns above)

Riff1

C \ Am7 \ Just because I don't say anything,

F G N.C. Am Doesn't mean I don't like you.

Riff1

C \ Am7 \ I open my mouth, and I try and I try.

F \ G \ Am but no words come out.

[Verse] [same sequence & timing]

Without 40 ounces of social skills,
I'm just an ass in the crack of humanity.
I'm just a huge manity - I really don't know
what a 'manity' is, I've looked but to no avail... if you know

please do

[Chorus] [Use the last Am to play you into this] [Strum as you feel it goes]

Am C (?) G (not G) -
And besides you're probably holding hands
Fm (Fm7?) C
with some skinny, pretty girl that likes to
G
talk about bands, and
Am C G
all I wanna do is ride bikes with you,
Fm (Fm7?) C G7
and stay up late, and watch cartoo-oons.

[Instrumental] [Play verse pattern and whistle tunefully down a piccalo]
..Duck tails, shirt tails, tail spin, sailor man, GI joe, robotech,..

[Chorus Pattern]

I just wanna watch cartoons with you.
Jossie and the Pussy Cats and Scooby Doo,
I want you to watch cartoons with me:
He-man, Voltron and Hong Kong Foey

[Verse]

I tried to ask you to your face
but no words came out.
Put on my hood and walked away,
that dosnt mean I don't like you

[Chorus]

And besides you're probably holding hands
with some skinny, pretty girl that likes to
talk about bands, and
all I wanna do is ride bikes with you.
and stay up late and maybe spoon.

[Verse]

Just becace I don't say anything
dosnt mean I don't like you.
..no..
I opened my mouth and I tried and I tried.

[Chorus]

And besides, you're probably holding hands
with some skinny, pretty girl that likes to
talk about bands, and
all I wanna do is ride bikes with you.
and stay up late and watch cartoons.

I'm just your average undercats host.

Well there you are, people, enjoy, and buy the album!
Please help me improve the tab, e-mail me straight away at the
