

The Mountain Goats - Alpha Rats Nest

Tom: A

finação: D G C F A D [Intro] A E A E A E Gbm D A B Bm

A E Gbm
Ah, the lengthening hours in the refinery

B Bm
Belching fire into the sky

A E Gbm
We do our best vampire routines

B Bm
As we suck the dying hours dry

Bm A Em A Em
The night is lovely as a rose

C
If I see sunlight hit you

B Bm
I am sure that we'll both decompose

(A E A E A E Gbm D A B Bm)

A E Gbm
Ah, the fitful sleep and the fire engines

B Bm
That I dream of when I dream

A E Gbm
Someday we'll both wake up for good

B Bm

I will try hard not to scream

Bm A Em A Em
The evening wind will shake the blinds

C
You're stirring from your slumber

B Bm
We've got something hateful on our minds

A E Gbm
Oh, sing, sing, sing

B Bm
For the dying of the day

A E Gbm
Sing for the flames that will rip through here

B Bm
And the smoke that will carry us away

A E Gbm
Yeah, sing for the damage we've done

B Bm
And the worse things that we'll do

A E Gbm
Open your mouth up and sing for me now

B Bm
And I will sing for you

(A E A E A E Gbm D A B Bm)
