"Cut it up, it's fucked" you say, it's useless  
Just a couple figures for the different uses

Am  
Here it comes the sum of all excuses  
Em  
Easier to stay, the old refuses

Em  
Spread it thin  
Make it bend  
Help me save him, make the ends

Am  
I got things to feed, to reimburse  
Em  
And he's sick, I'm alone and it's getting worse

Em

"Today, Today" you say, it's useless  
Just a couple figures for the different uses  
Here it comes the sum of all excuses  
Where did you think I got these bruises?
