

The Naked Brothers Band - If thats not love

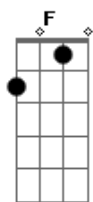

Tom: F

If that's not love then what is
 If that's not friendship then what is
 If that's not music then what is

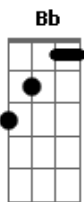

Before you know it we are there

On top of the world it seems
 I don't know who or why or where
 But I can still hear the music
 If that's not love then what is
 If that's not friendship then what is
 If that not music then what is
 If that not music then what is
