

The National - I Should Live In Salt

Tom: C

Don't make me read your mind
 You should know me better than that
 It takes me too much time
 You should know me better than that
 You're not that much like me
 You should know me better than that
 We have different enemies
 You should know me better than that

I should leave it alone but you're not right
 I should leave it alone but you're not right

Can't you write it on the wall?
 You should know me better than that
 There's no room to write it all
 You should know me better than that
 Can you turn the TV down?
 You should know me better than that
 There's too much crying in the sound
 I should know you better than that

I should leave it alone but you're not right
 I should leave it alone but you're not right

I should live in salt for leaving you behind
 Behind Ohhhhh

Think about something so much
 You should know me better than that
 Start to slide out of touch
 You should know me better than that
 Tell yourself it's all you know
 You should know me better than that
 Learn to appreciate the void
 You should know me better than that

I should live in salt for leaving you behind
 Behind Ohhhhh

I should live in salt for leaving you behind
 Behind Ohhhhhh

(Am F C F C F C)
 (Am F C F C F C)

I should live in salt for leaving you behind
 Behind Ohhhhh
