Am D G Em

Am D
I couldn't find quiet I went out in the rain

Am G C
I was just soakin' my head to unrattle my brain

Am D
Somebody said you disappeared in a crowd

Am G C
I didn't understand then I don't understand now

Am D
Am I the one you think about

Am G C
When you're sitting in your faintin' chair drinking Pink Rabbits?

Am D
Am I the one you think about

Am G C
When you're sitting in your faintin' chair drinking Pink Rabbits?

Em C
And everybody was gone

Em C
You were staring down the street 'cause you were tryin' not to crack up

Am D
It wasn't like a rain, it was more like a sea

Am G C
I didn't ask for this pain, it just came over me

Am D
I love a storm, but I don't love lightning

Am G C
All the waters coming up so fast, it's frightening

Am D
Am I the one you think about

Am G C
When you're sitting in your faintin' chair drinking Pink Rabbits?

Am D
Am I the one you think about

Am G C
When you're sitting in your faintin' chair drinking Pink Rabbits?

Em C
And everybody was gone

Em C
You were staring down the street 'cause you were tryin' not to crack

Am
I was solid gold

D
I was in the fight

G
I was coming back

C
From what seemed like a ruin

Am
I couldn't see

D
You coming so far

G

I just turn around

C
And there you are

Am D
I'm so surprised you want to dance with me now

G C
I was just getting used to living life without you around

Am D
I'm so surprised you want to dance with me now

G C
You always said I held you way too high off the ground

Am D
You didn't see me I was falling apart

G C
I was a white girl in a crowd of white girls in the park

Am D
You didn't see me I was falling apart

G C
I was a television version of a person with a broken heart

Am D
You didn't see me I was falling apart

Em C
And everybody was gone

Em C
You were staring down the street 'cause you were tryin' not to crack up

Em C
Bona Drag was still on

Em C G D
Now I only think about Los Angeles when the sound kicks out

Am C G D
Now I only think about Los Angeles when the sound kicks out

G D
You said it would be painless

Am C
A needle in a doll

G D
You said it would be painless

Am C
It wasn't that at all

G D
You said it would be painless

Am C
A needle in a doll

G D
You said it would be painless

Am C
It wasn't that at all (when the sound kicks out)
