[Primeira Parte]

Am Em G
 Take you like a drug
 Am Em G
 I taste you on my tongue

[Pre-chorus]

C Am
 You ask me what I'm thinking about
 Em
 I tell you that I'm thinking about
 G
 Whatever you're thinking about
 C Am
 Tell me something that I'll forget
 Em
 And you might have to tell me again
 G
 It's crazy what you'll do for a friend

[Refrão]

Am
 Go ahead and cry little girl
 Em
 Nobody does it like you do
 G
 I know how much it matters to you
 G
 I know that you got daddy issues
 Am
 And if you were mine little girl
 Em
 I'd do whatever I could do
 G
 I'd run away and hide with you
 G
 I know that you got daddy issues, and I do too

[Segunda Parte]

Am
 Daddy stuck around but he wasn't present
 Em
 Cheated on your mom but she never left him
 G
 First I didn't get it, now I understand
 Am
 He broke her heart, left money in her hands
 Am
 So everything got paid for
 Em
 She made sure you and your brother had way more
 G
 Than she ever had growing up (Yeah)
 Am
 But when you told me the whole story, I felt like throwing up
 Am
 I could see it on your face, it was rough
 Em
 Left a bad taste on your tongue
 G
 And she didn't even take any drugs
 Am
 She would rain all day, couldn't wait for her sun to shine
 Em
 And you made it shine
 G
 There when she cried, you saved her life
