The Neighbourhood - Everbody's Watching Me (Uh Oh)

Tom: G Intro: Am G D

[Verse 1] Em D Am I told you I would tell you everything you want to know Fm D You want me to tell you now Am You pressure me to shout it D Em Need to hear about it D Am Em Think that I would count you out [Bridge] Am Am Am Am Em I let you find it on your own Em D Am Am Am Am Em D Then I found myself alone [Hook] Uh oh, where can I go? G D Everybody's watching me Uh oh, where can I go? G D Everybody's watching me Ooh ooh, what can I do G If you're not here to tell you? Uh oh, where can I go? D Everybody's watching me [Verse 2] Em I go through all the trouble of keeping it within my walls Em D Am I try to be as subtle as I can Fm D Am Assume that nothing needs me, all I've done defeats me Em It looks like you were right again D And again

```
[Bridge]
Am Am Am Am Em D
I let you find it on your own
Am Am Am Am Em D
Then I found myself alone
```

Acordes

```

G
           D
Everybody's watching me
[Verse 3]
                                   Em
The more I want in, the more I want in
              D
The less I know, the less I know
  Am
But I'm forgotten, I'm forgotten
Em D
                     Am
                                       Fm
                                             D
I'll be alone, I'll be alone, I'll be alone
         Am
I'll be alone
     Em
               D
With everybody watching me
[Hook]
Uh oh, where can I go?
           D
G
Everybody's watching me
Uh oh, where can I go?
            D
G
Everybody's watching me
Am
Ooh ooh, what can I do
If you're not here to tell you?
Am
Uh oh, where can I go?
Everybody's watching me
[Outro]
```

```
Am G D Am
Watching me, watching me, me, me
G D Am
They're watching me, me, me
G D Am
Watching me, me, me
G D
Everybody's watching me
```
