Patience, test my patience.
      Bm                      D            Gbm         A
If I made it too hard for you maybe you should've changed it.
Gbm                  A
Say it, you should say it,
             Bm                      D                         Gbm

'Cause I'd say I was wrong just to make it fill all the
spaces.
Gbm                  A
Waiting, always waiting.
      Bm                      D            Gbm         A
If I gave you control would you say that we could seek it?

   Gbm                      A
I hope you find a way to be yourself someday,
      Bm
In weakness or in strength,

Change can be amazing.

So I pray for the best, I pray for the best for you.

Chasing, always chasing dreams.
                    Bm                      D
Why'd you stick around, why'd you stay with me?
         Gbm         A
Why'd you fake it?
      Gbm                  A
Hesitation is killing me too.
                    Bm                      D
But I couldn't save it, I couldn't save it.
