

The Neighbourhood - Middle of Somewhere

Tom: G

I was on the outside looking in

Now I'm on the inside trying to stay

Out of my head

I need peace of mind

Grew up pretty fast

Good things never last

You gotta live before you learn

Now I'm somewhere far

Away from where I started

With no point of return

But I'm turning

I was on the outside looking in

Now I'm on the inside trying to stay

Out of my head
I need peace of mind

Landed in the middle of somewhere

With you

Now you're stranded in the middle of somewhere

Too

Always running away

Looking for an escape

Everyone is an alien

When you're trying to find your place

(C F Em G)

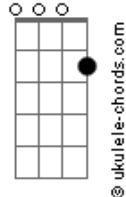

Trying to stay out

Trying to stay out of my head

Trying to stay out
