

# The Neighbourhood - Middle of Somewhere

Tom: G

I was on the outside looking in  
 Now I'm on the inside trying to stay  
 Out of my head  
 I need peace of mind  
 Grew up pretty fast  
 Good things never last  
 You gotta live before you learn  
 Now I'm somewhere far  
 Away from where I started  
 With no point of return  
 But I'm turning  
 I was on the outside looking in  
 Now I'm on the inside trying to stay

Out of my head  
 I need peace of mind  
 Landed in the middle of somewhere  
 With you  
 Now you're stranded in the middle of somewhere  
 Too  
 Always running away  
 Looking for an escape  
 Everyone is an alien  
 When you're trying to find your place  
 ( C F Em G )  
 Trying to stay out  
 Trying to stay out of my head  
 Trying to stay out

## Acordes
