

The Neighbourhood - Middle of Somewhere

Tom: G

I was on the outside looking in
 Now I'm on the inside trying to stay
 Out of my head
 I need peace of mind
 Grew up pretty fast
 Good things never last
 You gotta live before you learn
 Now I'm somewhere far
 Away from where I started
 With no point of return
 But I'm turning
 I was on the outside looking in
 Now I'm on the inside trying to stay

Out of my head
 I need peace of mind
 Landed in the middle of somewhere
 With you
 Now you're stranded in the middle of somewhere
 Too
 Always running away
 Looking for an escape
 Everyone is an alien
 When you're trying to find your place
 (C F Em G)
 Trying to stay out
 Trying to stay out of my head
 Trying to stay out

Acordes
