

The Neighbourhood - Nervous

Tom: D

D
 Maybe I shouldn't try to be perfect
 A
 I confess, I'm obsessed with the surface
 Bm
 In the end, if I fall or if I get it all
 G
 I just hope that it's worth it
 D
 Last year I fell flat on my face
 A
 And last month I knew somethin' should change
 Bm
 Last week I started over again
 G
 Ask me and I'll tell you how I've been
 D
 Mhm, don't get me started

 Bm A E
 You've got me nervous to speak
 G
 So I just won't say anything at all
 Bm A E
 I've got an urge to release
 G
 And you keep tellin' me to hold on
 Bm A E
 You've got me nervous to move
 G
 So I just won't give anything to you
 Bm A E
 You got me turnin' all around to be who you need me to

 Bm
 Should I be quiet?
 A
 Uh, come on, be silent
 E
 Uh, you know I'm tryin'
 E
 So don't say nothin'
 Bm
 Uh, tell me you trust me and
 A
 Kiss me and hug me, yeah
 E
 Well, I would do anything for ya
 E
 You just gotta love me and
 Bm
 I got an itch in my throat
 A
 I don't know which way to go
 E
 I keep on switchin', I know
 E
 I need a different approach
 Bm A
 It's all because I wanna
 E

Show you that I'm so capable

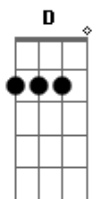

Bm A E
 You've got me nervous to speak
 G
 So I just won't say anything at all
 Bm A E
 I've got an urge to release
 G
 And you keep tellin' me to hold on
 Bm A E
 You've got me nervous to move
 G
 So I just won't give anything to you
 Bm A E
 You got me turnin' all around to be who you need me to
 Bm A
 Hush, baby, don't you say another word
 E G
 Hush, baby, don't you say another word, be quiet
 Bm A
 Hush, baby, don't you say another word
 E G
 Hush, baby, when you do, I just get hurt

 Bm A E
 Come on, baby, don't you hurt me anymore
 G Bm
 I'm not the same way that I was before
 A E
 I got goosebumps all over me
 G Bm
 When you're around, hard for me to breathe
 A E
 Come on, baby, don't you do that anymore
 G Bm
 It's not like the days, at night, I feel so short
 A E
 My nerves, they give me a sign
 E G
 Tell me I'm not fine, mhm

 Bm A E
 You've got me nervous to speak
 G
 So I just won't say anything at all
 Bm A E
 I've got an urge to release
 G
 And you keep tellin' me to hold on
 Bm A E
 You've got me nervous to move
 G
 So I just won't give anything to you
 Bm A E
 You got me turnin' all around to be who you need me to

 Bm A
 Hush, baby, don't you say another word
 E G
 Hush, baby, don't you say another word, be quiet
 Bm A
 Hush, baby, don't you say another word
 E G
 Hush, baby, when you do, I just get hurt
