[Refrão]

Even if my heart stops beating
 You're the only thing I need, ooh, with me
 Even if the Earth starts shaking
 You're the only thing worth taking, ooh, with me
 Even if the sky's on fire
 Got you here, it's alright, ooh, with me
 And if it's all over
 I'm taking this moment, ooh, with me
 Yeah

[Primeira Parte]

Pretty boy, you did this with me, boy
 Now it's all about to end
 Baby girl, look where we made it, girl
 Hmm, now we're falling

[Pré-Refrão]

As long as I got you
 I'm gonna be alright
 As long as I got you, yeah
 I'm not afraid to die
 I'm alright

[Refrão]

Even if my heart stops beating
 You're the only thing I need, ooh, with me
 (Ooh, with me)
 Even if the Earth starts shaking
 You're the only thing worth taking along, ooh, with me
 (Ooh, with me)
 Even if the sky's on fire
 Got you here, it's alright, ooh, with me
 (Ooh, with me)
 And if it's all over
 I'm taking this moment, ooh, with me, nah
 Wherever I'm going
 I'm happy you're coming, ooh, with me
 With me, yeah
