

# The Neighbourhood - Prey

Tom: C

As long as you know this  
 I'm hoping that you'll keep your heart open  
 I'll keep mine open too  
 If you don't ask, I won't tell  
 Just know that, just know that  
 It all hurts  
 It all hurts just the same

Something is wrong, I can't explain  
 Everything changed when the birds came  
 You'll never know what they might do  
 If they catch you too early  
 We need to fly ourselves  
 Before someone else tells us how  
 Something is off, I feel like prey  
 I feel like praying

As long as you know this  
 I'm hoping that you'll keep your heart open  
 I'll keep mine open too  
 So...  
 So I'd probably take you aside, tell you what's on my mind  
 But you... You'll just keep it inside  
 Probably tell me that you're alright

Something is wrong, I can't explain  
 Everything changed when the birds came  
 You'll never know what they might do  
 If they catch you too early  
 We need to fly ourselves  
 Before someone else tells us how  
 Something is off, I feel like prey

I feel like praying  
 If I run  
 If run away, I'll never know  
 What you want  
 And if you go then I'll never grow  
 I'm undone,  
 Let me slip, let me slide  
 If you run, I let you free to fly.  
 Something is off, I can't explain  
 You know what I mean, don't you?  
 Something I saw, something I did that made me like this  
 Could you help me?  
 We need to fly ourselves  
 Before someone else tells us how  
 Something is off, I feel like prey  
 I feel like praying  
 Something is off, I feel like prey  
 I feel like praying

So...  
 So I'd probably take you aside, tell you what's on my mind  
 But you... You'll just keep it inside  
 Probably tell me that you're alright  
 So...  
 So I'd probably take you aside, tell you what's on my mind  
 But you... You'll just keep it inside  
 Probably tell me that you're alright

I don't wanna fight  
 I don't wanna fight  
 I don't wanna fight  
 I don't wanna fight
