

# The Neighbourhood - Reflections

Tom: G

[Verso 1]

**Bm** **G**  
Where have you been?  
**Em**  
Do you know when you're coming back?  
**Bm** **G**  
'Cause since you've been gone  
**Em** **Gb**  
I've got along but I've been sad

[Pré-Refrão]

**Bm**  
I tried to put it out for you to get  
**G**  
Could've, should've but you never did  
**Em**  
Wish you wanted it a little bit  
**Em**  
More but it's a chore for you to give

[Refrão]

**Bm** **G**  
Where have you been?  
**Em**  
Do you know if you're coming back?

[Refrão]

**Bm** **A**  
We were too close to the stars  
**G** **Em** **A**  
I never knew somebody like you, somebody  
**Bm** **A**  
Falling just as hard  
**G** **Em** **A**  
I'd rather lose somebody than use somebody  
**Bm** **A** **G** **Em** **A**  
Maybe it's a blessing in disguise (I see myself in you)  
**Bm** **A** **G** **Em** **A**  
I see my reflection in your eyes

[Verso 2]

**Bm** **G**  
I know you're sick  
**Em**  
Hoping you fix whatever's broken  
**Bm** **G**  
Ignorant bliss  
**Em** **Gb**  
And a few sips might be the potion

[Pré-Refrão]

**Bm**  
I tried to put it out for you to get  
**G**

Could've, should've but you never did  
**Em**  
Wish you wanted it a little bit  
**Em**  
More but it's a chore for you to give

[Refrão]

**Bm** **G**  
Where have you been?  
**Em**  
Do you know if you're coming back?

[Refrão]

**Bm** **A**  
We were too close to the stars  
**G** **Em** **A**  
I never knew somebody like you, somebody  
**Bm** **A**  
Falling just as hard  
**G** **Em** **A**  
I'd rather lose somebody than use somebody  
**Bm** **A** **G** **Em** **A**  
Maybe it's a blessing in disguise (I see myself in you)  
**Bm** **A** **G** **Em** **A**  
I see my reflection in your eyes

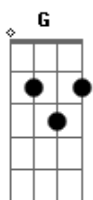

[Ponte]

**D** **Bm**  
So close, so close  
**A**  
Yet so far away (so far)  
**Em**  
I don't know (I don't)  
**Bm**  
How to be solo (no)  
**A**  
So don't go, oh, no, just stay  
**G**  
You and I were bright, shooting through the sky daily (yeah)  
**Bm**  
Lighting up the night, wasn't always right, baby (mhm)  
**G**  
Yeah, every time that we realised it's crazy  
And you save me

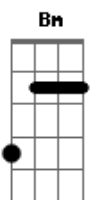

[Refrão]

**Bm** **A**  
We were too close to the stars  
**G** **Em** **A**  
I never knew somebody like you, somebody  
**Bm** **A**  
Falling just as hard  
**G** **Em** **A**  
I'd rather lose somebody than use somebody  
**Bm** **A** **G** **Em** **A**  
Maybe it's a blessing in disguise (I see myself in you)  
**Bm** **A** **G** **Em** **A**  
I see my reflection in your eyes
