

# The Neighbourhood - Staying Up

Tom: G

Verse:

Bm G D Em  
 No food to eat, all the money's been wasted from last week  
 Bm G D Em  
 I can't even leave, so I sleep in the basement, making up rap  
 beats

Bm G D  
 Em  
 Hot cup of tea, it's four o'clock in the middle of the night,  
 and I can't sleep

Bm G D Em  
 It's all on the peak, so bad I can taste it while it eats me

Bm G D Em  
 How can I sleep if I don't have dreams? I just have nightmares

Bm G D Em  
 How can it be? I still believe something is out there

Bm G D Em  
 Some part of me feels a little bit naked and empty  
 Bm G D Em  
 I'm stuck underneath a few dirty old blankets to comfort me

Chorus:

Bm G D Em  
 How can I sleep if I don't have dreams? I just have nightmares

Bm G D Em  
 How can it be? I still believe something is out there

Bm G D Em  
 How can I sleep if I don't have dreams? I just have nightmares

Bm G D Em  
 How can it be? I still believe something is out there

Verse:

Bm G D Em  
 And there's a light, and I can see why I'm still alive

Bm G D Em  
 Mommy won't lie, cause if she did, I would've died

Bm G D Em  
 All the time I sit and try, you think I'd be down

Bm G D Em  
 Every night, I'm sick and why, oh, I'm staying up this time

Chorus:

Bm G D Em  
 How can I sleep if I don't have dreams? I just have nightmares

Bm G D Em  
 How can it be? I still believe something is out there

Bm G D Em  
 How can I sleep if I don't have dreams? I just have nightmares

Bm G D Em  
 How can it be? I still believe something is out there
