Wanna tell you about no

Both your hands in

The holes of my sweater

Your breath away

I don't mind if there's
Not much to say

Sometimes the silence guides our minds

To move to a place so far away
The goosebumps start to raise
Dm7
The minute that my left hand
Am
Meets your waist
And then I watch your face

Put my finger on your tongue

'cause you love to taste
These hearts adore

Everyone the other beats

Hardest for

Inside, this place is warm
Outside, it starts to pour
