

# The Neighbourhood - The Beach

Tom: F

Intro: Bb Gm Dm

If I told you that I loved you

Tell me, what would you say?

If I told you that I hated you

Would you go away?

Now I need your help with everything that I do

I don't want to lie I've been reliant on you

Falling again I need a pick me up

I been calling you friend might need to give it up

I'm sick

And I'm tired too

I can admit

I am not fireproof

I feel it burning me

I feel it burning you

I hope I don't burn me

I hope I don't burn you

If I do, if I do

If I meet you in the middle maybe we could agree

You make me feel little how you're looking at me

And you can throw me shade all it does is just cool me off

First it just threw me off now I'm just moving on

Falling again I need a pick me up

I been calling you friend might need to give it up

Bb Gm

I'm sick

And I'm tired too

I can admit

I am not fireproof

I feel it burning me

I feel it burning you

I hope I don't burn me

I hope I don't burn you

Slowly

I think I can see the beach

I know it's underneath

I need you here with me

But we're out in the open swimming

Think I can see the beach

Just don't look underneath us

I need you here with me but I don't

I'm sick

And I'm tired too

I can admit

I am not fireproof

I feel it burning me

I feel it burning you

I hope I don't burn me

I hope I don't burn you

If I do, if I do

Outro: Bb Gm Dm 2x
