

## The New Basement Tapes - Kansas City

```
But just how long
Tom: C
                                                                                                                                                                                                                                                                                                     Can I keep singing this same old song?
I listen to you time and time again % \left( 1\right) =\left( 1\right) \left( 
                                                                                                                                                                                                                                                                                                     E7 Am G C
C G Am F While you tell me just what's right
                                                                                                                                                                                                                                                                                                     Goin back to Kansas City
                                                                                                                                                                                                                                                                                                     SOLO CHIDO
And you tell me 1000 things a day
Then sleep somewhere else that night
                                                                                                                                                                                                                                                                                                     Gypsy woman, you know every place I go
                                                                                                                                                                                                                                                                                                     C G
Goin back to Kansas City
                                                                                                                                                                                                                                                                                                     Even a thousand miles away from home
                                                                                                                                                                                                                                                                                                    You don't care if I'm asleep or I'm awake

G Am F

This fickle heart just turned to stone
And I love you dear
But just how long
                                                                                                                                                                                                                                                                                                     C E7
Going back to Kansas City
Can I keep singing this same old song
And I love you dear
                                                                                                                                                                                                                                                                                                     And I love you, dear
But just how long
                                                                                                                                                                                                                                                                                                     But just how long
Can I keep singing this same old song E7 Am G C
                                                                                                                                                                                                                                                                                                     Can I keep singing this same old song?
                                                                                                                                                                                                                                                                                                                        Am
I'm goin back to Kansas City
                                                                                                                                                                                                                                                                                                     And I love you dear
                                                                                                                                                                                                                                                                                                     But just how long
And you call me to come then I do
C G Am
                                                                                                                                                                                                                                                                                                     Can I keep singing this same old song?
Then you say you've made some mistake
                                                                                                                                                                                                                                                                                                    E7 Am G C
Goin back to Kansas City
You invited me into your house G Am
Then you say you gotta pay for what you brake

C

E7

Goin back to Kansas City
                                                                                                                                                                                                                                                                                                     And I love you, dear
                                                                                                                                                                                                                                                                                                     But just how long
                                                                                                                                                                                                                                                                                                     Can I keep singing this same old song?
And I love you, dear
                                                                                                                                                                                                                                                                                                     And I love you dear
But just how long
                                                                                                                                                                                                                                                                                                     But just how long
Can I keep singing this same old song?
                                                                                                                                                                                                                                                                                                     Can I keep singing this same old song?
And I love you dear
                                                                                                                                                                                                                                                                                                    E7 Am G C
