

The Night Game - Die a Little

Tom: G
Intro:

Db **F** **Eb**
The scars will never go away

And their ghost is still hard to shake

Db **F** **Eb**
You say you want what's left of me

Put their parts back into their place

Db **F**
Don't need a lover, don't need another

Eb
Hell with me if i can't do it on my own

Db **F**
I ride alone forever, promise this is better

Eb
I promise this is better, it's better, better

Ab **Eb**
What killed me yesterday, baby it's still a part of me

Fm **Db**
I had to die a little, to learn to survive a little

Ab **Eb**
And under all the pain, baby there's nothing i would change

Fm **Db**
I had to die a little, to learn to survive a little

Db **F** **Eb**
The valley's hot tonight

And the sweat is soaking through the bed

Db **F** **Eb**
You say that love would get me right

Chase the demons out of my head

Db **F**
Don't need a lover, don't need another

Eb
Hell with me if i can't do it on my own

Db **F**
I ride alone forever, promise this is better

Eb
I promise this is better, it's better, better

Ab **Eb**
What killed me yesterday, baby it's still a part of me

Fm **Db**
I had to die a little, to learn to survive a little
