

# The Oak - Pecking Bird

Tom: C

C F C

Sometimes I wish I was a bird  
 To get closest from the sky  
 I saw highest mountains I passed by the third  
 It made me feel the wind leading me through the bright night  
 Flying high to touch clouds  
 Pecking it to fulfill my doubts

And I would rise  
 And touch the sky  
 I?d be embraced by the light  
 I?d live among the trees  
 Ready to release my wings  
 ( C F C F )

C F C F  
 Oh gorgeous trees  
 Ascending and surrounding  
 Let me join and share all you charity  
 Oh nature take me  
 Flying high to touch clouds  
 Pecking it to fulfill my doubts

C F  
 And I would rise  
 C F  
 And touch the sky

 I?d be embraced by the light
