

The Oak - Spirit Of The Reef

tom:

G

F

My family always thought me

We were spirits before living

Am C

We belong to places we were happy

F G

And I can hear this soft calling

Am C

Whispering in my ears

F G

And I know there is nothing to be

Afraid of

Am G

I'm already on my knees

F

Underneath

G Am

the boards of the sea

F

Underneath

G Am G

I'd lie among the reef

F

And I was lost all my life

G Am

Lost in a storm of fears

F

But underneath

G Am G

I know I can finally breath deeply

F

While I dive in

G Am

It all seems just clean

C

Just a fraction of pureness

Am G

And I'm back to the madness

F G Am

Hold my hand and dive with me

C

To the end of this era

Am G

With no more worries in between

F

Underneath

G Am

the boards of the sea

F

Underneath

G Am G

I know I can find a home in the deep

F

And I was lost all my life

G Am

Lost in a storm of fears

F

But underneath

G Am G

Would be just you and me

F G Am

Between the earth and sea

G F

Lilies and offerings

G Am G

I'm always in between

F G

Heading deep

Am G

I can see clearly

F G

Between the earth and sea

Am

Jellies and offerings

G F G

Resting in pure relief

Am C

(Underneath)

(Am G F)

(G Am C)

(Am G F)

(G Am C)

(Am G F)

(G Am C)

(Am G F)

(G Am C Am G)

F G

Underneath

G Am G

the edges of the sea

F G

Underneath

G Am G

I'm lied among the reef

F

And I was lost all my life

G G Am G

Lost in a storm of fears

F

But underneath

G G Am

I know I belong to the reef

(F G Am G)

Spirit of the reef

Spirit of the reef

Spirit of the reef

(F G Am G)

Spirit of the reef

Spirit of the reef

Spirit of the reef
