

# The O'Reillys and the Paddyhats - Farewell

tom:

Dm (forma dos acordes no tom de Am )

Capostrate na 5ª casa

Things change. Farewell, farewell my friend  
 Things change. Farewell my friend  
 But Farewells they're not, they're not forever  
 They mean I'll miss you until we meet again

Things change. Farewell, farewell my friend  
 Things change. Farewell my friend  
 But Farewells they're not, they're not forever  
 They mean I'll miss you until we meet again

( Am F G Am Am Em G Am )  
 ( Am F G Am Am Em G Am )

I am dancing through the night as if there's no tomorrow  
 These are times full of joy - without sorrow  
 We are drinking lots of beer, we're not asking our livers  
 Our dreams come and go like water in the rivers

Then I realized what I was never told  
 Sometimes it hurts when you get old

Things change. Farewell, farewell my friend  
 Things change. Farewell my friend  
 But Farewells they're not, they're not forever  
 They mean I'll miss you until we meet again

( Am F G Am Am Em G Am )  
 ( Am F G Am Am Em G Am )

You're not another page in my book of memories  
 I'll keep on telling our stories  
 Now the day has come we're standing at the crossroad  
 Is this the ending of our episode?

Then I realized what I was never told  
 Sometimes it hurts when you get old

Things change. Farewell, farewell my friend  
 Things change. Farewell my friend  
 But Farewells they're not, they're not forever  
 They mean I'll miss you until we meet again

And all that I can see is another memory

Let them go, let them go  
 You can't keep the status quo

Let them go, let them go  
 It's gonna hurt I know

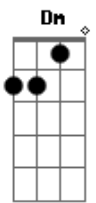

Let them go, let them go  
 Let them go, let them go

Let them go, let them go  
 Let them go, let them go

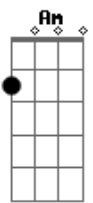

And when you found peace, you'll see more than memories

Things change. Farewell, farewell my friend  
 Things change. Farewell my friend  
 But Farewells they're not, they're not forever  
 They mean I'll miss you until we meet again
