

# The Outfield - Going Back

tom:

Intro: G D C G

[Verso]

I'm just a fool - no dis-guise  
 I still get hurt - same old pride  
 But growing older - I've real-ized  
 There's not a place - in my life - tonight

[Refrão]

I ain't gonna leave this town no more  
 I'm sorry for the times that I did before  
 I'm going back to where my heart came from  
 I ain't gonna leave this town again  
 I'm sorry for the things I did but then  
 I didn't realize where I be-longed

[Verso]

Shakin' the blues - ev-ry night  
 Been all alone - no sur-prise  
 Don't you forget me - I'm so blind  
 I'm coming back - one more time - tonight

[Refrão]

I ain't gonna leave this town no more  
 I'm sorry for the times that I did before

I'm going back to where my heart came from  
 I ain't gonna leave this town again  
 I'm sorry for the things I did but then  
 I didn't realize where I be-longed

[Ponte]

If these streets were empty  
 With nothing to see  
 You could take me from this town  
 Oh but you won't take this town out of me  
 ( G D C G )

[Verso]

Too many years - can't for-get  
 So many dreams - ain't done yet  
 An` all of these memories - still the same  
 I'm going home - and I'll re-main - unchanged  
 [Refrão]

I ain't gonna leave this town no more  
 I'm sorry for the times that I did before  
 I'm going back to where my heart came from  
 I ain't gonna leave this town again  
 I'm sorry for the things I did but then  
 I didn't realize where I be-longed
