

# The Outfield - I Dont Wanna Lose Your Love

Tom: D

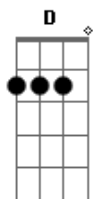

<sup>E</sup>                    <sup>Db</sup>                    <sup>B</sup>  
 Josie's on a vacation far away  
 Come around and talk it over  
<sup>E</sup>                    <sup>Db</sup>                    <sup>B</sup>  
 So many things that I'd wanna say  
 You know I like my girls a little bit older  
<sup>A</sup>                    <sup>Db</sup>                    <sup>B</sup>  
 I just wanna use your love tonight  
<sup>Db</sup>                    <sup>A</sup>                    <sup>B</sup>  
 I don't wanna lose your love tonight  
  
<sup>E</sup>                    <sup>Db</sup>                    <sup>B</sup>  
 I ain't got many friends left to talk to  
 No-one's around when I'm in trouble  
<sup>E</sup>                    <sup>Db</sup>                    <sup>B</sup>  
 You know I'd do anything for you  
 Stay the night but keep it under cover  
<sup>A</sup>                    <sup>Db</sup>                    <sup>B</sup>  
 I just wanna use your love tonight  
<sup>Db</sup>                    <sup>A</sup>                    <sup>B</sup>  
 I don't wanna lose your love tonight

<sup>G</sup>                    <sup>A</sup>  
 It's been awhile since we've been all alone  
<sup>G</sup>                    <sup>A</sup>  
 I can't hide the way I'm feelin'  
  
<sup>E</sup>                    <sup>Db</sup>                    <sup>B</sup>  
 As you leave me please would you close the door  
 And forget what I told you  
<sup>E</sup>                    <sup>Db</sup>                    <sup>B</sup>  
 Just 'cause you're right - that don't mean I'm wrong  
 Another shoulder to cry upon  
<sup>A</sup>                    <sup>Db</sup>                    <sup>B</sup>  
 I just wanna use your love tonight  
<sup>Db</sup>                    <sup>A</sup>                    <sup>B</sup>  
 I don't wanna lose your love tonight  
 Yeah  
<sup>A</sup>                    <sup>Db</sup>                    <sup>B</sup>  
 I just wanna use your love tonight  
<sup>Db</sup>                    <sup>A</sup>                    <sup>B</sup>  
 I don't wanna lose your love tonight  
<sup>A</sup>                    <sup>Db</sup>                    <sup>B</sup>  
 I just wanna use your love tonight  
<sup>Db</sup>                    <sup>A</sup>                    <sup>B</sup>  
 I don't wanna lose your love tonight

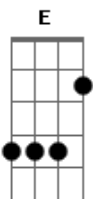

<sup>G</sup>                    <sup>A</sup>  
 Try to stop my hands from shakin'  
<sup>G</sup>                    <sup>A</sup>  
 Somethin' in my mind's not makin' sense

<sup>A - Db - B</sup>  
 Lose your love  
 Lose your love  
 Lose your love
