

# The Overtures - In Spite Of All The Dangers

Tom: G

You're looking through my eyes like a window  
 Wherever it takes me I will know  
 In spite of all the danger I will go  
 You know just what I found when I see there  
 As long as you're with me I don't care  
 'Cause In spite of all the danger I'll be there  
 You're the only one that keeps me satisfied, oh oh oh  
 You're the only love who makes the world seem bright  
 The world seem bright oh yeah  
 Sometimes you never call when I'm lonely

And then you pretend you don't know me  
 But In spite of all the dangers you show me

( G C D )  
 ( G C D )  
 ( G C D )

You're the only one that keeps me satisfied, oh oh oh Eb7(#5)

You're the only love who makes the world seem bright

The world seem bright oh yeah

You're looking through my eyes like a window

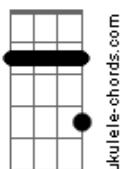

Wherever it takes me I will know

In spite of all the danger I will go

In spite of all the danger I will go
