[Primeira Parte]

F G
I know it seems alright
C D Dm
To just wait till the feelings right
F G
But I can see it in your eyes
C D
A shade of blue and a signal fire
F G
You like the glow of the downtown lights
C D
The colours on the street when it rains all night
G
But I can't give you what you want
If you don't want it from me baby

(Am)

[Refrão]

[Segunda Parte]

F G
I know that people talk
C D
Shake their heads at the way you walk
F G
On the street, in the park
C D
You say it's cause we're the same in the dark
F G
You like the sound of a pink moon cry
C D
Lying on the floor as the day goes by
G
But time alone means nothing
If you can't escape the hurt you're feeling

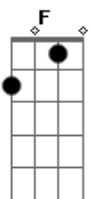

[Refrão]

F G
It's a deep burn blue
