With my hands oh I worked the night and day

 Now they're happy and gone
 And our yard it was colourful with flowers
 That scented the air
 And I watched as they slowly died away
 When you needed me there

Who do I be?
 What do I see now?
 With my sweet love gone with my sweet love gone

Verse 3:

You grew old so much faster than I could
 And I knew you would go
 Laid to rest on a Sunday afternoon
 And you left me alone

Final Chorus

How do I live?
 What do I give now?
 With me sweet love gone with my sweet love gone
