

## The Pineapple Thief - Clapham

```
Tom: G
                                                                You slowly fade away
  Intro
                                                                Chorus
                                                                Strum the Chords
Verse 1
                                                                So I'm singin this for You \,
Pick the Chords
                                                                Yeah, I'm singin this for You
                                                                           Em
                                                                So You don't have to
You're here
With nowhere left to go
                                                                Is there something to live for
You, ve nowhere left to go
                                                                Tell me it's something to live for
                                                                            Em
                                                                Cause I don't have more
Em
You feel
                                                                1 Strum
Your facing this alone
                                                                Is there something to live for
Your facing this alone
                                                                Tell me it's something to live for
Em C Bm C
                                                                             Em
                                                                Cause I don't have more
Chorus
                                                                Chorus
Strum the Chords
                                                                Strum the Chords
So I'm singin this for You
                                                                So I'm singin this for You
Yeah, I'm singin this for You
                                                                Yeah, I'm singin this for You
           Em
So You don't have to
                                                                           Fm
                                                                So You don't have to
Is there something to live for
                                                                Is there something to live for
Tell me it's something to live for
                                                                Tell me it's something to live for
            Em
Cause I don't have more
                                                                Cause I don't have more
Verse 2
                                                                This is something to live for
Pick the Chords
                                                                Yeah, this is there something to live for
You feel
                                                                             Em
                                                                How could you need more
There's nothing left to say
                                                                Pick the Chords
There's nothing left to say
                                                                And now
You feel
                                                                There,s everywhere to go
You slowly fade away
                                                                       Bm
                                                                There,s everywhere to go
   Bm
