

The Police - A Soapbox Opera

Tom: G

I hear, only what I want to hear

But, I have to believe in something

Have to believe in just one thing

I said Father Washington, you're all mixed up

Collecting sinners in an old tin cup

Well, spare a listen for a restless fool

There's something missing when I need your rules

Well hey there, You tell me you're a holy man

But, although I'm just a beginner

I don't see you as a winner

I said, Sister Robinson, you're all washed up

Collecting teardrops in a paper cup

If I could tell you what you need to know

If I could help you to get on with the show

(G Bm- C C Bm)

Reverend Ebenezer, there's a storm in my head

Makes me hear what you said, just was it true?

So, what have I to do?

Well, what has he to do?

Oh, what is there to do?

Oh oh oh

(Eb F Eb F G)

Mary, oh tell me what I'm living for

'Cause I feel like I'm tossed in the river

Have you a son to deliver

I said, Father Washington, you're all mixed up

Collecting sinners in an old tin cup

You tell the children what they need to know

But will they listen when it's time to go

Oh, Sister Robinson, you're all wound up

Collecting teardrops in a paper cup

Can someone tell me what I need to know

Can someone help me to get on with the show

(Eb Em C#m-)
